

Dear Sir:

^{A.E.}
2/Lt-BUCHANAN 47 R.S.F died 9.4.17.

In 41st C.C.S at Orisians, the Nurse says she remembers the case quite well as he was the only Officer of the 67 R.S.F. received in that C.C. that day. Mr Buchan had a severe wound in the Abdomen & was too far gone for the Doctor to operate, he died about two hours later without being taken out of the stretcher. He is buried in the Cemetery opposite the Clearing Station.

Wm Carpenter Lt-49 R.S.F.
67 R.S.F. 4/17
